**Civility:** Being "civil" is not a restraint on the First Amendment right to speak out, but it is more than just being polite. Civility is stating your opinions and beliefs, without degrading someone else in the process. Civility requires a person to respect other people's opinions and beliefs even if he or she strongly disagrees. It is finding a common ground for dialogue with others. It is being patient, graceful, and having a strong character. That's why we say "Character Counts" in Indiantown. Civility is practiced at all Village meetings.

## **COMPREHENSIVE PLAN REVIEW COMMITTEE MEMBER'S COMMENTS**

None.

## **COMMENTS FROM THE PUBLIC**

***-The public is invited to comment for up to 3 minutes on any item not discussed on the Agenda.***

Renita Presler expressed her concerns about the draft minutes. She requested that specific comments of the committee should be reflected in the minutes. Staff responded that verbatim minutes are not required and not the policy of the Village. Florida law only requires the minutes to reflect a summary of the meeting with details of motions and the final vote of the motion.

Majorie Beary asked if it was possible to have the workshops earlier than December. Staff responded that this would only be possible if the draft was ready earlier than shown in the calendar. She also said that it would be helpful to add the public workshops to the timeline. Staff said this was possible.

Members stated that they were happy with the draft and felt it fit the purpose of laying out a plan for involving the public in the Comprehensive Plan process.
