

Majorie Beary asked if it was possible to have the workshops earlier than December. Staff responded that this would only be possible if the draft was ready earlier than shown in the calendar. She also said that it would be helpful to add the public workshops to the timeline. Staff said this was possible.

Members stated that they were happy with the draft and felt it fit the purpose of laying out a plan for involving the public in the Comprehensive Plan process.

ANNOUNCEMENTS:

Staff apologized that the committee email addressed (Indiantown.org) are not yet available. Staff is working with the vendor on this matter and hopes to resolve this prior to the next meeting.
